## **Shoppers enjoy animal farm**

White Lion Walk in Guildford provided a shopping experience with a real difference this Easter as they hosted an animal farm within the centre.

Featuring a cow, sheep, goat, donkey, baby chicks, chickens, rabbits, ducks and even a dog, there were plenty of farmyard favourites for children and adults alike to enjoy.

The day was a great success with many families queuing for the chance to see the friendly farm animals.

Steve Cotney, Centre Manager of White Lion Walk Shopping Centre, commented: "It was fantastic to provide the animal farm for our shoppers. We wanted to offer something different this Easter and having High Street stores plus a mini farm under one roof really excited a lot of shoppers, it certainly gave the little ones a new outlook on shopping!"

The day was not only inspired by Easter though, the centre works closely with Guildford's Yvonne Arnaud Theatre who will be putting on their own production of children's classic, Charlotte's Web, this July so the animal farm was the perfect introduction to the show.
