

WHITE LION WALK

Guildford Town Centre Surprises Guaranteed

Surrey Army Cadets celebrate 150th anniversary with Lionel the Lion!

On Saturday 1st May, visitors to White Lion Walk Shopping Centre in Guildford were standing to attention as the Surrey Army Cadet Force (ACF) came in to raise awareness of their organisation as 2010 marks the Forces 150th anniversary.

From 10am – 4pm, Captain Adrian Paice and his cadets were on hand to talk to any young people and their families about the fantastic possibilities available when joining the Army Cadets Force.

What's more, Captain Adrian Paice was also promoting his biggest challenge to date, Cycle Challenge 150. The challenge will see Captain Paice and two fellow officers cycle 150 miles throughout every major town in Surrey within just 48 hours, over 3 days in the hope of raising £10,000 for Help for Heroes and the Surrey Army Cadet Force Association. Plus, as the Army Cadets logo centers around a golden lion, the cadets were joined by none other than White Lion Walk's cheeky mascot, Lionel the Lion, who lent a helpful paw by collecting a staggering £1500.00 in sponsorship money!

Centre Manager of White Lion Walk, Steve Cotney, commented: "We were delighted to play host to the Surrey Army Cadets within the Centre in celebration of the Army Cadets 150th anniversary and we wish them the best of luck for their Cycle Challenge 150. The cadets provide a fantastic service for young people within the community and really help inspire them to achieve success in life."
