White Lion Walk celebrate as they win award at Guildford's Raft Race

White Lion Walk Shopping Centre bagged first place at this year's Guildford Lion's Charitable Raft Race on Saturday 2nd July and they are set to raise an outstanding £2,500 for the charity through their sponsorship! Following this year's theme of movies, Centre Manager Steve Cotney and his team were unrecognisable posing as a hive of honeybees in celebration of their new bee awareness campaign within the centre.

The black and yellow striped bee themed raft equipped with bee hive, and a full sound system plus the centre management team dressed as honey bees, managed to come in first in their mechanical propulsion class at a time of 41 minutes.

White Lion Walk is also well on the way to winning the title of 'Champion Fund Raisers' after pledging to raise an astonishing £2,500 on behalf of the Guildford Lions. Steve Cotney commented; "We worked very hard on the raft this year, pulling out all the stops to promote our fantastic bee awareness campaign. We are still collecting our sponsorship money but we are hoping that our hard work has paid off and that we have collected the most money out of all the participants."

Next year's race will definitely be a challenge for White Lion Walk if they wish to continue with their success, but as Steve remarked; "we are always ready for a challenge!"
