

WHITE LION WALK

Guildford Town Centre Surprises Guaranteed

Guildford Shopping Centre Creates A Buzz

To celebrate National Honey Bee Day, White Lion Walk Shopping Centre in Guildford hosted a very special Honey Bee event on Saturday 17th August and invited shoppers both young and old to come along and learn all about these bee-aautiful insects.

Between 11am and 4pm, White Lion Walk hosted all sorts of fun activities to teach everyone about honey bees. To keep the little ones entertained, the centre even screened the Dreamworks hit, The Bee Movie and hosted make-a-bee workshops with colouring stations throughout the day.

For customers with a sweet tooth, there was also plenty of delicious honey tasting sessions with shoppers even having the chance to purchase some of White Lion Walk's very own honey; made by the centres own bee's!

Centre Manager at White Lion Walk Shopping Centre, Steve Cotney, commented:

"The Honey Bee Event Day was a fantastic day out for the whole family. It also provided a great opportunity to have an insight into the life of Honey Bee's."

National Honey Bee Day was a fantastic opportunity to let the people of Guildford know all about how important bees are to our environment. The plight of the honey bee is highly fragile, and it's vital to teach local residents just how key these insects are.

For the nature loving and inquisitive shoppers, Steve Cotney also displayed the centres observation hive. The hive featured the very bees that live on the roof of the shopping centre in the purpose built apiary. With plenty of eager questions from curious bee keepers' in-the-making, it was a great opportunity to really make a buzz about the bee species.
