

# WHITE LION WALK

**Guildford Town Centre Surprises Guaranteed**

## **Creepy Crawly Road show is a huge success at White Lion Walk**

On Wednesday 31<sup>st</sup> October, White Lion Walk Shopping Centre in Guildford was certainly the place to celebrate Halloween in a truly frightful style as shoppers were given the chance to meet some real creepy crawlies.

The Creepy Crawly Roadshow gave brave shoppers the chance to get up close and personal to a four metre long Albino Boa Constrictor, Scorpions, a Blue Tongued Skink and even a Tarantula. Children were also able to learn about these fascinating creatures' habitats, diets and lifestyle, gaining a better understanding of the natural world.

That wasn't all; there was even a free face painter, to turn all the little shoppers into witches, wizards and spooky ghosts.

Centre Manager of White Lion Walk, Steve Cotney, commented: "The day was a huge success with lots of fun to be had. The Creepy Crawly Roadshow certainly seemed to appeal to the whole family. Everyone really enjoyed themselves and it was great to learn about the fascinating creatures, one woman even conquered her fear of spiders by holding a tarantula. We're pleased it was more of a treat than a trick for her."
