White Lion Walk wins another industry award

White Lion Walk Shopping Centre in Guildford has won an International CSR Excellence Award for their Waste Management efforts in the national campaign to find Britain's most caring companies. They competed against more than 200 other nominations in the International CSR Excellence Awards 2015, and were presented with their trophy and certificate at a glittering presentation ceremony in The Empire Casino, London last month.

As a result of this International CSR Excellence Award success, they have been invited to have their winning paper published in The Global Guide to CSR Excellence (the leading international work of reference on corporate social responsibility best practice) so that others around the world can follow their example and learn from their achievement.

Steve Cotney, Centre Manager of White Lion Walk, commented:

"We are absolutely delighted to have won this award. We pride ourselves on being an incredibly environmentally friendly business running various waste management initiatives and saving energy wherever possible. It is always a great feeling when your efforts are recognised but especially when that recognition is international!"
