## Macmillan Coffee Morning proves huge success

On Friday 26<sup>th</sup> September, White Lion Walk Shopping Centre hosted one of Guildford's biggest Macmillan Coffee Mornings at Artington Park and Ride.

From 7am White Lion Walk representatives served hot Starbucks coffee and delicious Millie's Cookies to commuters raising over £110 in donations for MacMillan Cancer Support.

The money raised will go towards paying for Macmillan nurses, Macmillan benefit workers and Macmillan social workers who provide medical, emotional and financial support for those dealing with cancer. Last year the coffee morning raised a record £20 million nationally.

Centre Manager of White Lion Walk, Steve Cotney, commented: "Macmillan nurses help thousands of people every year in our region, who live with cancer. Our coffee morning was a great success, and the people of Guildford were incredibly generous so I would like to say a huge thank you to everyone who donated. This was the 7<sup>th</sup> year that we have held a coffee morning at Artington Park and Ride and I am extremely proud that White Lion Walk is able to support such a worthy charity."
