## **Creepy Crawly Road show is a huge success at White Lion Walk**

On Thursday 31<sup>st</sup> October, White Lion Walk Shopping Centre was certainly the place to celebrate Halloween in a truly frightful style as shoppers were given the chance to meet some real creepy crawlies.

The Creepy Crawly Road show gave brave shoppers the chance to get up close to an Albino Hedgehog, a Boa Constrictor, Scorpions, Lizards, Millipedes and even a Tarantula. Children were also able to learn about these fascinating creatures' habitats, diets and lifestyle, gaining a better understanding of the natural world.

That wasn't all though; there was a free face painter to turn all the little shoppers into witches, wizards and spooky ghosts, as well as a frightful trick or treat treasure hunt around the centre where children were rewarded with scrumptious sweets.

Centre Manager of White Lion Walk, Steve Cotney, commented: "The day was a huge success with lots of fun to be had. The Creepy Crawly Road show certainly seemed to appeal to the whole family. Everyone really enjoyed themselves and it was great to learn about the fascinating creatures. It was lovely to see the children having their faces painted and getting involved in the Halloween spirit."
