

WHITE LION WALK

Guildford Town Centre Surprises Guaranteed

Fang-tastic time had at White Lion Walk

Little Guildford shoppers and their families had a special Halloween treat on Saturday 28th October as White Lion Walk hosted its 'spooktacular' treasure hunt event.

Children were encouraged to take part in a free 'Safe Trick or Treating' treasure hunt where they were encouraged to hunt around the centre searching for special spooky posters in a safe and secure environment. Once all the posters had been spotted they were rewarded with a special Halloween treat.

A free face painter was also on hand throughout the day to transform 'little devils' into whatever Halloween characters they desired from witches and black cats to zombies and spiders.

The centre also hosted an exclusive competition on its Facebook page in the lead up to the free event and is delighted to announce Teena Goodwin was chosen as the winner and received a whole host of spooky goodies from retailers within the centre.

Steve Cotney, Centre Manager of White Lion Walk, commented:

"We love celebrating Halloween here at White Lion Walk and it's great to be able to treat our younger shoppers to a fun event. We're also aware of the potential dangers that come with trick or treating for the little ones, so we wanted to give parents some peace of mind by offering their kids a place where they can enjoy Halloween in a secure environment."
