White Lion Walk in conjunction with Guildford Fringe Festival raises £350 for local charity

White Lion Walk shopping centre is delighted to announce that, in conjunction with Guildford Fringe Festival, it has raised £350 for local learning disabilities charity The Halow Project.

The funds were raised through sales of artwork featured in Guildford Fringe's art exhibition situated within White Lion Walk. The joint venture saw the centre and Guildford Fringe team up to host an official Box Office plus art exhibition celebrating the talent of local artists.

After selling a variety of pieces, £350 was presented to Diane Savage, Community and Events Fundraiser at The Halow Project, on Wednesday 27th September by

Steve Cotney, Centre Manager at White Lion Walk alongside Charlotte Bateup, General Manager for the Guildford Fringe Festival.

The Halow project is dedicated to creating opportunities and supporting young people aged 16-35 with a learning disability so that they are able to live independent, meaningful, fulfilled lives and become more involved in their local community.

Steve Cotney, Centre Manager of White Lion Walk, commented:

"I'm thrilled we have been able to help raise these funds for a truly deserving charity. We pride ourselves on being a community-friendly shopping centre and are delighted Guildford Fringe Festival has been able to utilise our space so effectively once again this year."

Guildford Fringe Director, Nick Wyschna, added:

"We were delighted to once again be hosting our official Box Office within White Lion Walk and it truly was another successful year. I would like to say a very big thank you to the team at the centre for allowing us to set up shop and I'm so pleased we have been able to raise vital funds for The Halow Project."
