The Green Apple Awards began in 1994 and have become established as the country’s major recognition for environmental endeavour among companies, councils, communities, and countries. The awards are organised by The Green Organisation – an international, independent, non-political, non-profit environment group dedicated to recognising, reward, and promotion environmental best practice around the world. The Green Apple Awards are supported by the Environment Agency, the Chartered Institute of Environmental Health, the Chartered Institution for Waste Management and other independent bodies.

White Lion Walk competed against more than 500 other nominations in the Green Apple Awards for Environmental Best Practice and are proud to receive a Bronze award for Energy Reduction, in the category for Property & Real Estate Management, at the Houses of Parliament, London on November 6th. The award recognised our outstanding achievement in reducing gas consumption by 94% in the last 10 years, whilst celebrating the accountability the centre has in undertaking initiatives in water and electricity reduction, to further reduce its carbon footprint.
