## **WHITE LION WALK SHOPPING CENTRE ON THE WAY TO GREEN GLORY**

White Lion Walk Shopping Centre in Guildford has won a Green Apple Environment Award in the international campaign to find the greenest companies, councils and communities.

They competed against more than 500 other nominations in the Green Apple Awards for Environmental Best Practice, and were presented with their trophy and certificate at a glittering presentation ceremony in the Houses of Parliament, London on Monday, November 16.

As a result of this Green Apple Award success, they have been invited to have their winning paper published in The Green Book, the leading international work of reference on environmental best practice, so that others around the world can follow their example and learn from their achievement.

They could also progress to represent their country in the Green World Awards, and the European Business Awards for the Environment.

Steve Cotney, Centre Manager of White Lion Walk, commented:

“We pride ourselves on our recycling and environmental policies here at the centre so we are delighted with the acclaim that these widely-respected industry Awards provide us as an organisation.”

The Green Apple Awards began in 1994 and have become established as the country's major recognition for environmental endeavour among companies, councils, communities and countries.

The awards are organised by The Green Organisation, an independent, non-political, non-activist, non-profit environment group dedicated to recognising, rewarding and promoting environmental best practice around the world.

The Green Apple Awards are supported by the Environment Agency, the Chartered Institute of Environmental Health, the Chartered Institution for Wastes Management and other independent bodies.
