Guildford Town Centre Surprises Guaranteed

Wand-erful' Halloween spectacular at White Lion Walk

Guildford shoppers and their families were in for a wizarding treat on Saturday 29th October as White Lion Walk Shopping Centre hosted their very own Harry Potter themed Halloween event.

Throughout the day visitors to the centre were invited to take part in a free 'magical' treasure hunt where, if they found all the hidden ingredients posters and helped create a special 'Liquid Luck' potion – or 'Felix Felicis' to be precise, they were rewarded with their very own selection of Bertie Bott's Every Flavour Jelly Beans – perfect for those wanting to play a Halloween trick on their friends!

The main attraction though was the special visit from none other than the head of the wizarding world, Dumbledore (well a very convincing look-a-like) who was on hand to meet and pose for photos with hopeful wizards. If that weren't enough youngsters also had the opportunity to be transformed into spooky characters including black cats, dragons and spiders with the help of the centre's free face painter.

Steve Cotney, Centre Manager of White Lion Walk, commented:

"Our Harry Potter themed Halloween event was a huge hit with shoppers and their families and it was wonderful to see children so excited by our special treasure hunt. I hope that everyone who attended enjoyed themselves and helped bring a touch of wizarding magic to their Halloween weekend
