

WHITE LION WALK

Guildford Town Centre Surprises Guaranteed

White Lion Walk creates a Buzz!

In recognition of National Honey Bee Day, Guildford's White Lion Walk Shopping Centre hosted a very special Honey Bee event on Saturday 16th August and invited shoppers of all ages to come along and celebrate the bee-autiful insects.

Throughout the day, a variety of fun activities including colouring stations and free face-painting provided entertainment for the younger members of the family, whilst an informative environmental exhibition featuring a selection of tools used within the bee keeping industry, offered an interesting insight into the plight of the honey bee.

Scrumptious tasters of delicious, homemade honey were also handed out throughout the event for those with a sweet-tooth and shoppers even had the opportunity to purchase some of White Lion Walk's very own honey made by the centre's apiary bees!

Steve Cotney, Centre Manager of White Lion Walk Shopping Centre, commented:

"Our Honey Bee day was a great success and it was wonderful to see so many of our shoppers turning up to support the event. It provided a fantastic opportunity for local residents to gain an insight into the life of Honey Bees. As an avid bee keeper myself, it is vital to raise awareness about how key these insects are to our environment."

For the nature loving and inquisitive shoppers, Steve Cotney also displayed the centre's observation hive featuring the very bees that live on the roof of the shopping centre in the purpose built apiary. With plenty of eager questions from curious bee keepers' in-the-making, it was a great opportunity to really make a buzz about the bee species.
