

WHITE LION WALK

Guildford Town Centre Surprises Guaranteed

Raptor'ous applause for our Jurassic World competition winner

Last month, to celebrate the release of the much anticipated blockbuster Jurassic World, we gave our shoppers the chance to win a pair of tickets to see the film at Guildford's ODEON cinema.

By simply liking White Lion Walk's Facebook page and commenting on our special competition post, anyone could have had the chance to win the sought-after tickets but lucky 14 year Ben Barnett was selected as the winner.

Ben was presented with his prize on Jurassic World's opening night by the White Lion Walk's Bryn Batten and our very own mascot, Lionel the Lion!

Bryn commented:

"On behalf of everyone here at White Lion Walk I would like to congratulate Ben for winning the competition – I hope he thoroughly enjoyed the film!

"We always like to provide our online followers with unique competitions and ensure that they are the first to hear about any events or promotions we have coming up. I encourage anyone who may not have signed up yet to do so as, just like Ben, you don't know what might happen with just the click of a button."
