Local family announced as winners of White Lion Walk's Monopoly Treasure Hunt

White Lion Walk in Guildford is delighted to announce Bethanie and Mia Wigmore as the winners of its Monopoly Treasure Hunt which took place throughout the school summer holidays.

Running every day throughout August children were encouraged to take part in the treasure hunt by hunting for Monopoly themed posters hidden in store windows. Once they had found all six posters they could collect a treat and post their completed entry forms into the centre's special post box.

The winners, age 8 and 10 from Guildford, were picked at random from over XX entries. White Lion Walk's Centre Management team presented Bethanie and Mia with their prize - a variety of tickets from luxury leisure destinations including the Yvonne Arnaud Theatre, GLive and Guildford Spectrum.

Bethanie and Mia's mum, Chantal Wigmore, commented:

"I'm delighted the girls have been chosen as the winners of White Lion Walk's Monopoly Treasure Hunt. The event was a fantastic way to keep the children entertained during the school summer holidays and we're really looking forward to using our family tickets."

Steve Cotney, Centre Manager of White Lion Walk, added:

"Congratulations to Bethanie and Mia for winning an exclusive Monopoly: Guildford edition board as well as the tickets, I hope the girls enjoy their prizes and have a lot of fun visiting all the local family attractions."
