Shoppers delight with free flowers for Mother's Day

On Saturday 9th March, White Lion Walk Shopping Centre in Guildford helped celebrate Mother's Day in style by giving away beautiful bunches of flowers to shoppers in the centre just in time for Mothering Sunday the following day.

Over 200 bunches of stunning spring tulips were given away throughout the day delighting many shoppers who were out purchasing gifts for their mums.

Centre Manager of White Lion Walk, Steve Cotney, commented: "We wanted to give something back and thank all the wonderful mums who are our loyal shoppers so flowers were the perfect gift. We know how difficult it can be financially these days so helping our shoppers tick one gift off the list seemed like the ideal thank you. It was wonderful to witness how grateful people were. I hope all the mums out there had a lovely Mother's Day."
