Sanbei specialises in mobile phone accessories such as memory cards, cases, speakers and in car accessories as well as offering services such as mobile phone unlocking and computer and laptop repairs.

Gary Tong, Company Director of Sanbei Mobile Phone Accessories, commented "We are thrilled to be part of such a vibrant shopping centre and look forward to bringing our services and products to the shoppers of White Lion Walk."

Centre Manager of White Lion Walk Shopping Centre, Steve Cotney, commented: "I am delighted to welcome Sanbei Mobile Phone Accessories to the Centre.
