Shoppers get Sickly Sweet at White Lion Walk

Glen McCulloch and 11 year old Miah Mansour have been crowned White Lion Walk's 'Sweet Queen and King' after correctly guessing the number of scrumptious heart shaped Haribo, Love Hearts and Jelly Beans were in a jar at the centre's Valentines event which was held on 9th February.

Mrs Mansour, Miahs Mum and Glen were presented with their Jars of sweets on Valentine's Day by the Centre Administrator, Dawn Phelps.

Dawn commented: "We just want to say huge congratulations to Miah and Glen. We were amazed by the number of entries we had for our competitions. We always strive to provide a shopping experience with a difference and offer exciting competitions and events for the whole family to enjoy. It was lovely to see so many people getting involved in the Valentine's celebrations."
