Guildford Town Centre Surprises Guaranteed

## Valentine's Day luck for snap happy shoppers at White Lion Walk

Last week we were delighted to take the winners of our Valentine's Day competition, Ciprian and Vanessa, on a special shopping trip to Next within White Lion Walk so they could spend their £150 prize money.

The couple, who won after their Valentine's Day photo received over 170 votes on the centre's Facebook page, treated themselves to a few select items to boost their spring wardrobe including a lightweight jacket, denim dungarees and a snazzy pair of converse style trainers.
