## Shoppers go wild at White Lion Walk

On Saturday 25<sup>th</sup> July White Lion Walk Shopping Centre held a unique Wildlife Awareness day for shoppers and their families featuring some very special guests including an eagle owl, a hedgehog, a rabbit, a pole cat ferret, a rat and a barn and a tawny owl.

Throughout the day, as part of the centre's ongoing commitment to the environment and local community, shoppers joined Graham Cornick and his adorable animals from the Hydestile Wildlife Hospital to learn about Britain's wildlife and what can be done to make animals' lives much easier.

What's more, children got creative at the centre's colouring and arts and crafts workstations making various pictures and collages to take home with them.

Steve Cotney, Centre Manager at White Lion Walk Shopping Centre, commented:

"Our Wildlife Awareness Day was a great success and it was wonderful to see children and grown-ups alike enjoying meeting some of our local British wildlife and learning about the environment. As a shopping centre, we are extremely committed to helping the environment and run various initiatives behind the scenes such as waste reduction and green campaigns. It is always fantastic to host events for our shoppers where they can learn how to help our wildlife thrive."
