TO MUM, WITH LOVE *Kids get crafty for Mother's Day*

On Saturday 22nd March children visiting White Lion Walk Shopping Centre in Guildford got crafty to show their mothers just how much they care!

Throughout the day, using specially printed Mother's Day cards, youngsters added glitter, feathers and foam to make a truly individual card to present to their mums on Mothering Sunday.

To personalise their cards even further, children also had a special photo taken of themselves which was printed out instantly, so they could place the photo inside to make their card a truly unique and personal gift to be treasured forever.

Furthermore, shoppers were given the opportunity to nominate their mums in the centre's Marvellous Mum competition for the chance to win her a hamper full of prizes for Mother's Day. Out of nearly 50 entries, Mary Kelly was selected as the winner after being nominated by her son Ciaran because he wanted to give something back as his mum had done so much for him.

Steve Cotney, Centre Manager at White Lion Walk Shopping Centre, commented:

"Throughout the year mums put their children first so it was lovely that we were able to give the children the chance to show their mothers just how much they care and appreciate everything they do. All the children that took part really loved being able to design their own cards using our arts and crafts materials and, by giving them the opportunity to also include their photo, it enabled them to give mum a gift they can keep and treasure forever."
