Vapestore makes move due to continued growth

Due to continued growth, Vapestore a retailer within White Lion Walk Shopping Centre, has made the move to a larger unit.

Last week the leading supplier of e-cigarettes in Sussex and Surrey, Vapestore (previously named Vapouriz), moved to a 1,169 square foot unit allowing the franchised business to expand their product offering and create new jobs within the community.

Tristan Eriksson, Vapestore Management, commented:

“We are thrilled to be opening our recently rebranded store. The larger unit means we can expand our offering here in Guildford and I look forward to welcoming the new and old customers to our new home.”

Steve Cotney, Centre Manager of White Lion Walk, commented:

“Following consumer demand and continued growth in the e-cigarette market, I am delighted that Vapestore has been able to make their move to a larger unit within the shopping centre. They're a very welcomed tenant here at White Lion Walk with a great team, and I wish them all the best in their new surroundings.”
