Guildford Town Centre Surprises Guaranteed

**Commuters enjoy coffee and cookies for a fantastic cause**

## **White Lion Walk raise £130 for Macmillan Cancer Support as part of the World's biggest Coffee Morning**

On Friday 23rd September, White Lion Walk Shopping Centre made friends with many commuters travelling into the centre of Guildford via Artington Park and Ride as they treated them to free Starbucks coffee and Millie's cookies.

The main point of the morning was to raise money for Macmillan Cancer Support through their World's Biggest Coffee Morning campaign. As Macmillan helps thousands of sufferers throughout the year, the people of Guildford were incredibly generous when donating for their coffee and cookies which resulted in over £130 being raised throughout the morning.

From 7.30am, there was a constant stream of commuters using the Park and Ride and thanks to White Lion Walk's centre management team and their cheeky mascot Lionel the Lion, around two hundred cups of coffee were drunk and one hundred and fifty yummy cookies were consumed.

Centre Manager of White Lion Walk, Steve Cotney, commented: "After last year's success, we were delighted to take part once again. Members of the public were as generous as ever and it really is heart-warming to see how much money can be raised for such a worthwhile cause, which White Lion Walk is proud to support."
