

White Lion Walk & Guildford Lions present £1,000 to Guildford's Halow Charity!

On Wednesday 15th June, Steve Cotney, Centre Manager at White Lion Walk, was joined by the president of Guildford Lions, Reg Swaden, as they presented a cheque for £1,000 to the Halow Charity who support young people aged 16 to 35 with a learning disability.

The donation came from White Lion Walk's success in the 2010 Guildford Lion's Charity Raft Race as they won the 'Champion Fundraiser' award by collecting almost £2000 in sponsorship as well as being crowned 'Best Presented Raft and Crew' and bagging first place in their class.

Dan Curtis, Deputy Director of Halow, commented: "We would like to thank both White Lion Walk and the Guildford Lions for the very generous donation. Halow supports young people with a learning disability to have the same chances and choices as any other young person. The money will help us to continue to offer opportunities such as social activities, education and development programmes which enable them to take control of their futures."

From providing buddies to running youth clubs and organising fun trips to places such as the cinema and the theatre, Halow make life fun for the people they help.

Steve Cotney, commented: "The raft race was a fantastic way to raise money and we are delighted to be presenting a cheque to the Halow charity. We always strive to support local charities through our work at White Lion Walk and we will endeavour to continue helping the community in the future."
