

Kids of Surrey amazed when Peppa Pig visited White Lion Walk Shopping Centre!

The animated children's television favourite, Peppa Pig made a special visit to White Lion Walk Shopping Centre on Saturday 7th August to meet and greet lucky children in Guildford.

The hugely popular and BAFTA award winning children's television character left behind Mummy Pig, Daddy Pig and George to say hello to all the little girls and boys who were shopping with their parents within the Centre.

White Lion Walk's, Dawn Phelps, said: "The response to Peppa Pig was phenomenal, all of the children looked like they were meeting a celebrity and couldn't wait to run up and give Peppa Pig a cuddle. As a Shopping Centre we pride ourselves on being able to provide various entertainment for children and adults alike and the characters are always such a treat for the little ones. "
