

White Lion Walk Shopping Centre wins RoSPA Award

White Lion Walk Shopping Centre in Guildford, has won a Silver award in the prestigious RoSPA Occupational Health and Safety Awards 2011.

The Royal Society for the Prevention of Accidents (RoSPA), a safety charity, launched its awards programme 55 years ago. The scheme looks not only at accident records, but also entrants' overarching health and safety management systems, including important practices such as strong leadership and workforce involvement.

David Rawlins, RoSPA's awards manager, commented: "RoSPA firmly believes that organisations that have demonstrated their commitment to continuous improvement in accident and ill health prevention deserve recognition. White Lion Walk Shopping Centre has shown that it is committed to striving for such continuous improvement and we are delighted to honour it through the presentation of an award."

Centre Manager of White Lion Walk, Steve Cotney, commented: "I am delighted that we have been awarded a silver award from RoSPA. Our staff work around the clock to ensure the safety of our shoppers and it just goes to show that hard work does pay off. We will continue to do our utmost in regards to health and safety and look forward to an accident free future."

The majority of RoSPA's awards are non-competitive, marking achievement at merit, bronze, silver and gold levels. Organisations maintaining high standards can win gold medals, president's awards and orders of distinction.

Competitive awards are presented in more than 20 sectors, and specialist awards recognise excellence in specific areas, such as the management of occupational road risk.
