**Surrey's Swap Shop helps one lucky winner beat the winter blues!**

On Friday 15th and Saturday 16th January, Surrey's Swap Shop was in full swing within White Lion Walk Shopping Centre, Guildford. The Swap Shop was designed for the community to bring in unwanted gifts and exchange them for something of interest that had a similar value. The event couldn't have been more of a success with £300 being raised for local charities.

The Swap Shop was an even bigger triumph for local resident Emma Ditung though as she was selected at random to win £250 worth of vouchers to spend at White Lion Walk Shopping Centre. Visitors to Surrey's Swap Shop were invited to enter the prize draw through a form in the Surrey Advertiser. White Lion Walk received a fantastic amount of entries so Emma was delighted to hear she had won.

On Friday 5th February, White Lion Walk's Centre Manager Steve Cotney and the Centre's mascot, Lionel the Lion, presented Emma with her vouchers. Steve commented: "Surrey's Swap Shop was a great success. The response from the public was phenomenal and we cannot thank the community enough for their support. We are delighted to announce Emma as our prize draw winner."
