

WHITE LION WALK

Guildford Town Centre Surprises Guaranteed

The BIG Donation launch at White Lion Walk

White Lion Walk Shopping Centre launched their British Heart Foundation (BHF) Big Donation event on Monday 24th October calling out to the local community to donate good quality items that can be sold in local BHF Shops.

The BIG Donation is a nationwide appeal to gather stock to sell in BHF Shops with 100% of the money raised helping the fight against heart disease.

From Monday 24th October to Monday 7th November visitors to White Lion Walk will be able to bring down previously loved, good quality clothing, shoes, accessories, books, CD's, toys and bric-a-brac. Unwanted furniture and electrical items can also be donated by calling 0844 412 5000 or booking a free collection online bhf.org.uk/bigdonation.

Steve Cotney, Centre Manager at White Lion Walk commented:

"We are calling out to the local community to really get behind the event, fill up a bag of good quality items and bring it back to the drop off point in the shopping centre."

Every bag of good quality items donated could raise as much as £20 for the nation's charity.

For more information on **The BIG Donation, which is happening throughout September**, visit bhf.org.uk/bigdonation. To find the closest BHF Shop, call 0844 412 5000.
