Christine sparkled for Surrey on Valentines Day

Last month White Lion Walk Shopping Centre in Guildford teamed up with the Surrey Advertiser to offer one lucky lovebird the chance to win an incredible dazzler of a prize – a diamond ring!

The competition, which ran in celebration of Valentine's Day, received over 100 entries however only one lucky winner could be selected at random and that was Christine Wilkinson from Horsell.

On Friday 12th February White Lion Walk's, Dawn Phelps and the cheeky mascot Lionel presented Christine with her stunning prize. What's more Christine even received a VIP pass to see the classic love story, Frankie and Johnny in the Clair de Lune at the Yvonne Arnaud Theatre, plus a bottle of bubbly to enjoy during the interval within the venue's stunning Vanbrugh club.

Centre Manager of White Lion Walk, Steve Cotney, commented: "We wanted to run a spectacular competition for Valentine's Day this year and we managed to pull out all the stops with the diamond ring and tickets to the theatre thanks to our partnership with the Yvonne Arnaud. We always strive to run competitions and events that benefit our local community and I was delighted that Christine received her fabulous prize in time for Valentine's Day."
