

## **White Lion Walk on the way to green glory!**

White Lion Walk Shopping Centre in Guildford has won three Green Apple Environment Awards in the national campaign to find Britain's greenest companies, councils and communities.

They competed against more than 500 other nominations and will be presented with their Green Apple Awards at a glittering presentation ceremony in the House of Commons on November 14. Receiving awards for Maintaining Green Initiatives need not cost the earth, Reduce carbons and reduce costs and their Bee Awareness campaign which is helping save the honey bee and the environment.

As a result of this success they have been invited to have their winning paper published in The Green Book, the leading international work of reference on environmental best practice, so that others around the world can follow their example and learn from their experience.

They will also be considered to represent their country in the European Business Awards for Environment.

The Green Apple Awards began in 1994 and have become established as the country's major recognition for environmental endeavour among companies, councils, communities and countries.

The awards are organised by The Green Organisation, an independent, non-political, non-activist, non-profit environment group dedicated to recognising and promoting environmental best practice.

Judges for the Green Apple Awards are drawn from the Environment Agency, the Chartered Institute of Environmental Health, the Chartered Institute for Wastes Management and other independent bodies.
