

## Yumi is back in town at White Lion Walk

On Saturday 3rd September, White Lion Walk Shopping Centre's new female clothing store, Yumi, opened its doors to the public.

The ladies fashion shop features the latest trends at affordable prices, including clothes, bags and accessories. With a spacious area to display the wide array of goods on offer, it is sure to provide shoppers with a more relaxed atmosphere in which to browse.

Manager for Yumi, Jackie Hastings-Rose, commented: "We are really pleased that Yumi is, once again, in Guildford as it is a great location for us, full of fashion-conscious shoppers. We had a very successful opening day on Saturday and I'm looking forward to welcoming more of our shoppers and showing them round our new store."

Centre Manager of White Lion Walk Shopping Centre, Steve Cotney, commented: "I am delighted to welcome Yumi to the centre, further extending the variety of shops available at White Lion Walk. I think it certainly adds something unique for our female shoppers and it has already proved popular with our customers."
