

WHITE LION WALK

Guildford Town Centre Surprises Guaranteed

There's a lot of love for White Lion Walk

Last month, White Lion Walk Shopping Centre teamed up with the Surrey Advertiser to offer one lucky reader a 'dazzling' Valentines prize. Now, out of hundreds of entries, 66 year old, Peter Davies has been picked as the winner.

By simply telling us what day Valentine's Day falls on, Peter has won a stunning diamond necklace from H. Samuel plus an incredible couple's photo shoot from Limelight Photography on Friary Street including professional make-up and a 20" x 16" framed picture!

Peter was presented with his prizes on Valentine's Day by the Centre Administrator, Dawn Phelps.

Dawn commented: "We just want to say huge congratulations to Peter. We were amazed by the number of entries we had for our competition. We always strive to provide a shopping experience with a difference and offer exciting competitions and events for the whole family to enjoy. It was lovely to see so many people getting involved in the Valentine's celebrations."
